

Baptists Set Youth Week

MARINE FISH
The angler is an ugly marine fish abundant around the coasts of Europe and on the American shores from Nova Scotia to the Barbados.

DID YOU KNOW that the classified ads of the Torrance Press are one of the most valuable parts of the paper? Whether you want to sell, trade, buy, or even want a baby sitter for evening, classified is there for you. Read and advertise, won't you? You won't be sorry! Just call FA. 8-2345.

Narbonne Avenue Baptist church, 24730 Narbonne avenue, with Robert A. Wells, pastor, will observe Youth Week April 22 through 29. During this week the young people will fill the offices in the church. The youth will teach in the

Sunday school and a youth pastor will be selected.

The event is sponsored by the training union and will be observed by other churches cooperating with the Southern Baptist convention. The church expects to take possession this week of the newly purchased property at 24801 Narbonne avenue, it was announced.

The buildings will be converted to provide Sunday school space as soon as possible, Pastor Wells said.

MODEL DERBY SLATED

Fathers and sons will again team together in the first annual 500 Meter Model Derby sponsored by the Torrance Recreation department.

A complete kit containing two axle housings, one pine block, four plastic wheels, four nails, suggested diagrams and rules may be obtained from the playground director for a nominal cost.

After the cars have been completed, they will compete with other cars on a 40 foot inclined track.

Elimination contests will be run off on the following areas: April 21, Crenshaw school, 10:30 a.m., McMaster Park 1 p.m., Carr school, 2:30 p.m., Carl Steele school, 4 p.m.

April 28, Torrance park, 10:30 a.m., Greenwood school, 1 p.m., Meadow park, 2:30 p.m.

May 5, Walteria park, 10:30 a.m., Seaside school, 1 p.m., El Retiro, 2:30 p.m.

On May 12, two cars will be selected from each area to compete for city honors in the best designed contest. All cars will be judged on, workmanship, color, and design.

The derby will be divided into the following classifications. Class A—12-14 years of age. Class B—10-11 years of age. Class C—9 years and under.

The climax of the derby will be May 26 in the Civic Auditorium when the 1st, 2nd, and 3rd place winners from each division will compete for all city

honors. Fathers are urged to assist their sons in the construction of the models. For more information please call the recreation office, FA-84108.

DRIVERS
If all the incompetent drivers were ruled off streets and highways of the nation by stronger licensing procedures, it would hamper the economic processes of America, according to John H. Mathewson, professor of engineering on the Los Angeles campus of the University of Southern Calif.

LAZINESS GROWS on people; it begins in cobwebs and ends in iron chains. The more business a man has to do the more he is able to accomplish, for he learns to economize his time.—Sir M. Hale.
